**THANK YOU FOR CHOOSING MAGNUM'S ALL NEW CROSS-BODY TOOLBOX.**

We know the joy that opening a gift from a loved one brings on Christmas morning. Which is why we've prepared a downloadable gift card-sized QR code just for this occasion while your loved one waits for our elves to finish their brand-new Magnum Cross-body toolbox.

Please download, print, and cutout this QR code, and present it as a delightful gift to unwrap on Christmas day. When scanned, this QR code will lead to a 360-degree view of the toolbox. It's our way of bringing a glimpse of the excitement directly to you and your loved one, making the wait and anticipation more enjoyable.

We wish you and your family a joyous Christmas.
